Player clue 1: Record | Team 1

Storage labels use shapes and words, so the case can be solved on a black-and-white printout. We will use the records on the table to locate the shape-print exhibit. Share the reading, explain each choice and keep the five results for the final plan.

Use the print receipts and frame book to follow the completed record. Match printed keys, then report the requested field. A planned or cancelled entry cannot prove a move.

Print receipts

item: Cabinet | tag: WAVE | status: draft

item: Stand | tag: STAR | status: checked

Frame book

tag: STAR | bay: NORTH

tag: PINE | bay: EAST
