

Secret Library Parcel

Hint level 1 - HOST ONLY

1. Record

Start with the status field in Borrower slips.

2. Window

Look at earliest start, each window end and the arrival deadline.

3. Order

Find all the event cards and the before notes.

4. Reader

Find the three people, the three items and the forbidden pairings.

5. Shelf

Find the column letters and row numbers on the grid.

6. Final

Keep the five named results beside the final plan and find the key for each badge.

Secret Library Parcel

Hint level 2 - HOST ONLY

1. Record

The tag links an item to a bay; rows in separate records need not line up.

2. Window

The journey uses time as well as the job; add both to the start of each window.

3. Order

Connect cards linked by the notes; a card position is counted from the beginning of the completed order.

4. Reader

Each item is used once. A person ruled out of two items must have the third.

5. Shelf

A coordinate gives column first and row second; keep the printed coordinate order.

6. Final

Each badge controls a different fact, road leg, order note, pulse or habitat layer. Use the matching key exactly once.

Secret Library Parcel

Hint level 3 - HOST ONLY

1. Record

Keep only entries meeting every status test. Follow each printed join to the report field; do not guess from row position.

2. Window

Check all three conditions for each window. A slot can be long enough yet start too early or arrive too late.

3. Order

Check every before relationship, then read only the requested position. The printed card arrangement is not the answer order.

4. Reader

Place the most restricted person, remove that item from the others, then use the remaining rule. Read the target person only after checking all pairs.

5. Shelf

Read the full word before using the conversion table. If the word is missing, recheck each row and column rather than choosing a similar word.

6. Final

Check the completed product against all five recovered facts. If two answers remain, locate the fact that distinguishes them rather than guessing.
